

COMPREHENSION

Each of the following statements contains false information. Rewrite the sentences so that they are correct, based on the TED Talk.

1. In college, Tim made a plan for writing a 90-page paper, and followed it.

2. Tim procrastinated when he was younger, but not now.

3. The main difference between procrastinators and non-procrastinators is that procrastinators' brains don't have a Rational Decision Maker.

4. The Panic Monster usually shows up just after a deadline.

5. When Tim wrote a blog about procrastination, a few people responded to say they have the same problem.

6. There are three kinds of procrastination, according to Tim.
